

January 30, 1986 LB 778, 907, 909

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: LB 907 advances to...from General File. Next is LB 909.

CLERK: LB 909 is by Senator DeCamp. (Read.) The bill was read on January 10, referred to the Banking Committee for hearing, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Haberman.

So all we are doing is changing one word so that we can conform to the law, so it is noncontroversial and I ask you to advance the bill.

PRESIDENT: Is there further discussion on the bill? If not, the motion is to advance LB 909 to Enrollment and Review for Review. All those in favor vote aye, opposed vote nay. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the motion to advance the bill.

CLERK: LB 778, by Senators Schmit, Rupp and Chronister. (Read.) The bill was read on January 8, referred to the Public Works Committee, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Schmit or Rupp, are you handling...Senator Rupp.

Last summer we had a problem with the Lost Creek flood control project in Columbus. The Director of the Natural Resources Commission was not in favor of the
